Tips

- Keep your eyes open for pop-ups.
- There are often discounts for first-time customers.
- Sign up for the company's newsletter. You might receive a discount code by email.
- If you are signed in to the website and add things to your basket but do not purchase straight away, you might be sent a reminder email a few hours later with a code.

- Search Google for the latest codes
- For Look Fantastic, always try LF10, LF15, LF20, LF25.
- APPS - some companies will offer discounts when you download and buy through their app. Look Fantastic & Beauty Bay do this.
